

# A Dog is For Life...

Owning a dog means  
you'll need to:

-  Feed your dog
-  Train your dog
-  Walk your dog
-  Play with your dog
-  Groom your dog
-  Exercise your dog
-  Clean up after your dog
-  Love your dog

... every day for many years to  
come!

**Make sure there is room in your life for a dog  
before you add one to your household.**

And remember, the hectic holiday season  
is usually **NOT** the best time to bring a puppy home.

For more information on choosing a particular  
breed, finding a reputable breeder or selecting  
a puppy, visit:
