

# My Favorite Breed

Purebred dogs come in all sizes and colors. Some have thick coats, and others are smooth. Some have lots of energy and need plenty of exercise. Others are more easygoing. You can see pictures of purebred dogs on the AKC Web site at [www.akc.org](http://www.akc.org).

Think about which purebred dog is your favorite and why. Then, draw a picture of your favorite breed.

My favorite breed is the
